

## DANIELSKUIL CEMETERIES PROJECT

### Data-base 5

### Baptisms in the Congregational Church (previously the London Missionary Society)

#### Danielskuil area

#### Dates of birth 1911-1963

### Introduction

This information was kindly provided by Rev Johannes Stuurman of the Congregational Church at the Moffat Mission in Kuruman.

It is based on old handwritten registers, and it shows what a valuable source such church records can be.

The data shows the following information:

1. Dates of birth
2. In some cases, the farms nearby Danielskuil where the families were living
3. Dates of baptism and/or confirmation in the NGKA of Tlaka-la-Tlou
4. Parents
5. Sometimes one can figure out the siblings as well.

The earliest records in this data-base are:

1. The earliest recorded *birth date* in the baptismal register: **David Kruger**, born 1911, the son of Nicholas and Maria Kruger (maiden name Martlow), and baptised in 1920
2. The earliest recorded *baptismal date* in the register: **Samuel Jacob Haai**, born 25 December 1914, the son of Jacobus and Maria Haai (her maiden name was Jansen), and baptised in 1915.

Note that other registers are offered in other documents in this series:

1. URCSA (Kuilsville) baptism and confirmation registers

2. The NG Kerk in Afrika baptism and confirmation registers
3. Headstones in the Kuilville cemetery in Danielskuil
4. Marriage register of the Congregational Church in the Danielskuil area.

Some caveats:

1. The information is sometimes incomplete
2. Handwritten records are sometimes somewhat illegible.

Please contact Prof Doreen Atkinson at [doreen@karooofoundation.co.za](mailto:doreen@karooofoundation.co.za) if you have any queries, or if you would like a specific person's photographic record.
