

DANIELSKUIL CEMETERIES PROJECT

Data-base 6

Marriages in the Congregational Church (previously the London Missionary Society)

Danielskuil area

Marriages 1905 - 1968

Introduction

This information was kindly provided by Rev Johannes Stuurman of the Congregational Church at the Moffat Mission in Kuruman.

It is based on old handwritten registers, and it shows what a valuable source such church records can be.

The data shows the following information:

1. Dates of birth
2. In some cases, the farms nearby Danielskuil where the families were living
3. Dates of baptism and/or confirmation in the NGKA of Tlaka-la-Tlou
4. Parents
5. Sometimes one can figure out the siblings as well.

The earliest records in this data-base are:

1. The earliest recorded *birth date* in the baptismal register: **David Kruger**, born 1911, the son of Nicholas and Maria Kruger (maiden name Martlow), and baptised in 1920
2. The earliest recorded *baptismal date* in the register: **Samuel Jacob Haai**, born 25 December 1914, the son of Jacobus and Maria Haai (her maiden name was Jansen), and baptised in 1915.

Note that other registers are offered in other documents in this series:

1. URCSA (Kuilville) baptism and confirmation registers
2. The NG Kerk in Afrika baptism and confirmation registers

3. Headstones in the Kuilville cemetery in Danielskuil
4. Marriage register of the Congregational Church in the Danielskuil area.

Some caveats:

1. The information is sometimes incomplete
2. Handwritten records are sometimes somewhat illegible.
3. This table only refers to marriages of people (either the bride or bridegroom or both) recorded as living in Danielskuil. Other marriages took place in Danielskuil, involving people living elsewhere and travelling to Danielskuil for the ceremony; they are NOT included here.

Please contact Prof Doreen Atkinson at doreen@karoofoundation.co.za if you have any queries, or if you would like a specific person's photographic record.

In the table below, BLUE items refer to the Bridegrooms, and PINK items refer to the Brides.

The first table provides the list alphabetically, by Bridegroom's surname.

The second table provides the list alphabetically, by Bride's surname.

Alphabetical by Bridegroom's name:
